

HOW IT WORKS

1

GIVE US A CALL

If you're looking for a support service that you can trust and genuinely cares.

LET'S MEET

Our Customer Service Team will discuss what tasks you want support with, hours needed, your preferences and design an individual support plan.

2

3

PLAN AND QUOTE

You will then receive a service agreement and schedule of supports for your approval to make sure we have understood your needs.

WELCOME TO RAINBOW CARE

Your services will commence on the agreed date. We'll continue to keep in touch or you can contact us anytime to ensure that your support remains up to date with any changes you need.

TESTIMONIALS

"I think that all your staff are wonderful. That includes your support workers that we see on a regular basis and all the admin staff that I speak to regularly. No issue is ever too much for you to help with. Most importantly you put your clients above all else"

"You are LGBTQIA+ friendly and employing support workers that are neurodivergent is a great thing"
